

Research Grant Round 2018

Submissions open for 2018

Applications are sought for research projects that will drive state-wide improvements in medicine access, quality and safety.

Up to \$20,000 per project will be funded.

The application form, including agreement from your Director and the Referee Report Form must be completed and submitted for the application to be considered.

**Application closing date:
31st May 2018**

CALL FOR APPLICATIONS

Own project

Projects that are of interest to you and your health service

Submit a proposal for a research idea that you and your health service(s) wish to undertake, ensuring the project will be of benefit to other hospitals in Victoria.

How to apply

Complete the application form on the VicTAG website
Discuss your idea with your manager and download and complete all parts of the application form
